Washington, D.C. 20231

Dear Sir:

We are writing regarding a charge made in error to our Deposit Account No. 04-1420. Our January 31, 1993 Deposit Account statement shows a charge against the above application in the amount of \$1,429.00, posted January 7, 1993 (Control No. 13177).

At the time of filing the above application (December 16, 1992) we enclosed a check for the filing fee in the amount of \$901.00 (which was the proper amount for a small entity). The Statement Claiming Small Entity filed along with the application was inadvertently not executed by the inventor and a form signed

he was charged

I hereby certify that this document is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231 on April 28, 1993.

by the inventor was subsequently submitted and received in the PTO on February 22, 1993. A copy of our check in the amount of \$901.00, Form PTO 1082 showing our calculations and a copy of the receipt postcards for the application and for the Verified Statement Claiming Small Entity Status are enclosed for your reference.

We believe the \$1,429.00 charge on our Deposit Account is in error since the fee submitted was the correct amount and the small entity claim is now on file. Please credit our Deposit Account (04-1420) in the amount of \$1,429.00.

Respectfully submitted,

Dated: April 28, 1993
